

# Scored/Slotted Tray

Style:  
Closure: Glue or Tape  
Die Cut? No  
Common Flutes: B/C/BC

The Scored and Slotted Tray is an easy to produce product. □  
Due to its simple nature, it has no self locking features and requires tape or glue to complete. □  
These are commonly used for Bedding Trays, Soft Drink Flats, or even as lids to HCS's. □  
The Length Width and Depth can be custom specified by the customer.
