

Self-Locking Tray

Style: Tray
Closure: Self Locking
Die Cut? Yes
Common Flutes: E/B/C

Die cut self-locking trays are easy to assemble and can be used for multiple purposes. □
They are used as bedding tray for pottet plants, 12 and 24 pack flats of soda, HSC lids, and much more. □
Typically these trays are not very deep, but can be made to almost any size as long as the length remains greater than the depth.
