

Single Bottle Wine Boxes

Style: Wine Box
Closure: Glued
Die Cut? Yes
Common Flutes: E

We carry many different types of Wine boxes, these two are single pack carrier cases. □
Dimensions on these boxes are static, as they are already sized to fit almost any wine bottle. □
This style however could be re-sized to fit other products and give their presentation a bit of a unique touch. □
We also carry multiple bottle carriers. For information on those please reference the wine 2 and 3 pack page.
